Practice Update, Fall 2019

Great news! We are Remodeling and expanding your dental office!

We are excited to announce that we are remodeling and adding more rooms to your dental office. You will notice when you visit us in the next few months that we are under construction. By expanding the number of dental operatories, we hope to better accommodate our growing dental family and to stay on the cutting edge of the latest dental technologies and services. We anticipate the project to be completed by the end of the year.

We would also like to take this opportunity sincerely thank Dr. Kathy Kim who has been with our practice since 2016. Dr. Kim is opening her own practice in Columbia and will be phasing out of North Potomac Smiles over the next several weeks. Dr. Kim has thoroughly enjoyed treating and getting to know many of you and would like to thank you for trusting her with your dental care. As we wish her all the best, we would like to introduce Dr. Sharon Mathew to our practice. Dr. Mathew shares the same philosophy and core ideals of our practice.

Dr. Mathew graduated Cum Laude from S.U.N.Y Buffalo School of Dental Medicine in 2010. After dental school, Dr. Mathew completed a 1-year Residency at St Joseph's Hospital, Syracuse, NY, where she gained further training in general and cosmetic dentistry, emergencies, surgeries and implant restorations. She was in private practice in Michigan and moved to Maryland in 2014. Dr. Mathew has participated in many continuing education courses and volunteered at Mission of Mercy in Maryland. She is an active member of the local, State and National Dental Associations. In her free time, Dr. Mathew likes to spend her time with her husband and two daughters. She enjoys music, movies, international cuisine and travel.

Last but not least, Dr. Kodsí and his wife Sara, along with their son Owen are excited to announce that they are expecting a baby girl in October. The newest Kodsí is due on October 17 and we can't wait to meet her. If you have an appointment with Dr. Kodsí around that time period, please be advised that it may be moved to another time slot due to his paternity leave.

We hope this announcement letter has found you in good health and spirit. We are ever so grateful for your loyalty, support and generous referrals.
